

CPUFC provide opportunities for participants to play football in an **inclusive** environment.

Anyone who has Cerebral Palsy/acquired brain injury and wants to play football is more than **welcome** to come along and be a part of our club. We work with both children and adults and training sessions and fixtures are available to **All** regardless of age, ability, experience, gender, mobility or CP classification. Whether you play within the National talent program, at a grassroots club, play within a PAN disability team, play at school or don't play at all, please come along and enjoy your football in a positive learning environment. Training sessions are run by FA and UEFA qualified coaches with many years of experience. Sessions are age appropriate and specifically designed for players with CP/ABI. Our long term aim is to support players and help them to **become the best they can be** both on and off the pitch.

Cerebral Palsy United Football Club

Come and join our CP Specific Football club!!!

Programmes we run:

- Adult teams 18+ yrs
- Development Phase teams 12-17
- Foundation phase teams 5-11 yrs
